

GABRIELLA PULTRONE

Born in Catanzaro on 30.10.1963.

Architect, PhD in "Planning and Design of the Mediterranean City".

Associate Professor of Urban Planning, SSD ICAR/21 - *Mediterranea* University of Reggio Calabria.

Member of Department Architecture and Territory-dArTe, Via Melissari 89124 Reggio Calabria.

Phone: +39 338 8846592

E-mail: gabriella.pultrone@unirc.it.

Website: http://www.unirc.it/scheda_persona.php?id=776

EDUCATION AND ACADEMIC RANKS AND DEGREES

Degree in Architecture, obtained at Reggio Calabria University on June 26th, 1987 with final grade 110/110.

Title of the thesis: "Progettazione di un piano paesistico comprendente il territorio di sette comuni del versante jonico calabrese (da Soverato a S. Caterina sullo Jonio)" (Design of a landscape plan including seven municipalities along the Calabrian Jonian coast – from Soverato to S. Caterina sullo Jonio).

Supervisor: Prof. P. Bellagamba. Co-examiner: Prof. G. Albanese.

Member of Ordine degli Architetti, Pianificatori, Paesaggisti e Conservatori della provincia di Catanzaro (architects and planners official chart/association, Catanzaro province), 10th March 1988 Code: Settore A (Architect and planner), n. 838

Qualification of Expert in Computerized Land Use Planning and Design, obtained after attending a postgraduate training course in "Computerized Land Use Management and Planning", carried out by INFOLAB (Catanzaro) on behalf of IDIMER (Naples) and held from June 12th, 1989 to July 6th, 1990.

Between 1990 and 1991, successful completion, as holder of a scholarship, of the Training Course for "System Designers", organized by Consorzio IRI Telematica Calabria (TELCAL).

Subject expert in "Spatial Planning" and, consequently, member of the Board of Examiners since 1991.

From 1995 to 1998, Tutor (following a competition by educational qualifications) at the Faculty of Architecture of Reggio Calabria in the courses of Urban Planning II and "Laboratory of Urban Design" (prof. S. Rossi). Functions: collaboration to didactic activities and support to students' learning process.

From 1998-2004, Temporary lecturer (pursuant to art.100 Law 382/80) of Urban Planning Technique at the Faculty of Architecture of Mediterranean University of Reggio Calabria, Degree course in Architecture.

PhD in "Planning and Design of the Mediterranean City", at "Mediterranea" University of Reggio Calabria, Faculty of Architecture (XV cycle).

Since February 1st, 2006, Researcher in URBAN PLANNING (ICAR/21). Since July 27th, 2011, member of DASTEC Department – Mediterranean University.

From November 2007 to June 2008, she attended, obtaining a certificate of participation, the Course in Operational Management of Research Activities, within the Project F.I.O.R.I. "Formazione Intervento Organizzativo per la Ricerca e l'Innovazione" n.5237/17 – National Operational Programme "Scientific Research, Technological Development, Higher Education" 2000/2006 for the Regions Objective 1 – Measure III.3. Aim of the project: to strengthen the skills of civil servants in the field of research, innovation and technological development.

In 2014 she received the National Scientific Qualification as Associate Professor for Scientific Sector 08/F1 - Urban and Territorial Planning and Design (art.16 of the law 30 December 2010, n.240; period of validity from 03/02/2014 to 03/02/2023).

ROLES IN ACADEMIC AND NON-ACADEMIC INSTITUTIONS

Since 2008, Member of the teaching staff of the Research Doctorate Programme in Architecture - "Mediterranea" University of Reggio Calabria.

Orientation and Tutoring Delegate of the Department of Architecture and Territory- Mediterranean University of Reggio Calabria in the 2013-2016 three-year period.

Member of the University Guidance Commission, chaired by the Vice-Rector for the Orientation of the Mediterranean University of Reggio Calabria, prof. A. De Capua.

Member of the "Territory" Commission of the dArTe, with M. Lauria and A. Barresi (2016-2018).

Member of the University Quality Committee (PQA) as a delegate for dArTe Department, since December 2018.

Member of the INU (Italian Urban Planning Institute) as supporting member since 2008.

Member of the INU Board of Directors - Calabria (2008-2016).

Effective Member the INU since 2022

Founding member of "Accademia Urbana - AU" (the Academy of Urbanism), 2014.

Since 1990, Court-appointed expert at Catanzaro Court.

DIDACTIC ACTIVITY

She carries out didactic activities at the Department of Architecture and Territory- Mediterranean University of Reggio Calabria:

1988 - 1995

Collaboration to the Courses of Urban Planning I and II (Prof. S. Rossi)

1995 - 1998

Tutor in the courses of Urban Planning II and "Laboratory of Urban Design" (Prof. S. Rossi). Functions: collaboration to didactic activities and support to students' learning process.

1998 - 2004

Temporary lecturer of Urban Planning Technique, module complementary to the Laboratories of Urban Design

Academic Year 2006/07

Professor of Territorial Analysis and co-professor in the Laboratory of Urban Design (with Prof. M. A. Teti)

Academic Year 2007/08

Professor of Basics of Urban Planning and co-professor in the Laboratory of Urban Design (with Prof. M. A. Teti)

Member of the teaching team in the Italian/French Workshop related to Programme interdisciplinaire de recherche: L'architecture de la grande echelle Projet de recherche – Laboratoire GERPHAU / UMR CNRS 7145 LOUEST en association avec la Facolta di Architettura – Università Mediterranea di Reggio Calabria, Dipartimento AACM & le Laboratoire Architecture Milieux Paysages – ENSAPLV : Vers une architecture des milieux, Reggio Calabria, 12-22 aprile 2008

Professor in the 2nd level master's degree course "Governance and Territory", addressed to senior administrative officials responsible for urban and spatial planning. Supervisor of the Master's degree theses concerning the scientific section "Participation".

Academic Year 2008/2009,

Professor of Basics of Urban Planning and of Urban Landscape Design.

Professor in the Italian/French Workshop concerning the Programme interdisciplinaire de recherche: L'architecture de la grande echelle Projet de recherche – Laboratoire GERPHAU / UMR CNRS 7145 LOUEST en association avec la Facolta di Architettura – Università Mediterranea di Reggio Calabria, Dipartimento AACM & le Laboratoire Architecture Milieux Paysages – ENSAPLV: Vers une architecture des milieux, Reggio Calabria, April 12th-22nd, 2008.

Academic Year 2009/2010

Professor of Basics of Urban Planning and of Laboratory of Urban Planning

She taught in the course "Nuevas orientaciones para los destinos consolidados de sol y playa: renovación y mejora de la competitividad", organizzato dalla Universidad Internacional Menéndez Pelayo-sede di Valencia, diretto da Fernando Vera e Rosario Navalón dell'Istituto Universitario de Investigaciones Turísticas de la Universidad de Alicante, previsto fra le attività della fase III (dissemination plan) del Progetto di ricerca: "Renovación de los destinos turísticos consolidados del litoral: nuevos instrumentos para la planificación y gestión (RENOVESTUR) 2009-2011, within PLAN Nacional I + D + I 2008-2011 (<http://blogs.ua.es/renovestur/actividades-organizadas/curso-uimp/>), L'Alfàs del Pi, 19-23 July 2010.

Academic Year 2010/2011

Professor of Laboratory of Urban Planning

Academic Year 2011/2012

Professor of Basics of Urban Planning and of Urban Planning.

Academic Year 2012/2013

Professor of Urban Planning

Academic Years 2013/2014, 2014/15, 2015/16, 2016/17, 2017/18, 2018/19

Professor of Urban Design-Laboratory of Urban Planning

Academic Years 2020/2021, 2021/2022

Head of Urban Planning Laboratory 1 and Professor of Urban Planning, five-year Architecture Study Course Class LM - 4. (2nd year - second semester)

Academic Years 2022/2023

"Strumenti e Tecniche urbanistiche", 2° anno CdS in Tecniche per l'edilizia e il territorio, LP-01, Dipartimento dArTe.

“Fondamenti di Progettazione territoriale e urbana”, 2° anno CdS in Architettura quinquennale, LM-4, Dipartimento dArTe

Moreover, she has been co-examiner and supervisor of degree theses in the five-year degree course in Architecture.

MAIN RESEARCH TOPICS

Cultural Heritage and Tourism for Sustainable Development - Planning and Design of the Mediterranean City with particular reference to the Adriatic Region and the port city of Trieste - Human Smart Cities - EU Cohesion policy - Social Innovation - Urban and regional planning for the implementation of the Sustainable Development Goals (SDGs) and New Urban Agenda - Mitigation and adaptation to climate change - Urban Resilience - Urban Regeneration - Revitalization of historic minor centres and strategies for peripheral and inner areas.

ERC: SH3_1 *Environment, resources and sustainability*; SH3_8 *Mobility, tourism, transportation and logistics*; SH3_9 *Spatial development and architecture, land use, regional planning*; SH3_10 *Urban studies, regional studies*; SH5_11 *Cultural heritage, cultural memory*.

MAIN RESEARCH ACTIVITIES

She has participated in the following researches, whose outcomes have been published and discussed during Workshops and Conferences:

1999

Strategie di valorizzazione dei centri storici (Strategies to upgrade historic centres) (Head of Research: Prof. Sara Rossi).

2000

“L’identità come fattore di sviluppo delle città del Mediterraneo” (Identity as development factor in Mediterranean cities) (Head of Research: Prof. S. Rossi).

Le città del Mediterraneo dalla metà dell’Ottocento alla prima metà del Novecento (Mediterranean cities from the mid-19th century to the early 20th century) (Head of Research: Prof. S. Rossi) .

Winner of the competition for the 15th cycle of the research doctorate in “Planning and Design of the Mediterranean City” – Mediterranean University of Reggio Calabria – Faculty of Architecture.

In the following three years she elaborated a thesis titled “L’arco adriatico settentrionale e Trieste nel contesto euro-Mediterraneo” (The Northern Adriatic Arc and Trieste in the Euro-Mediterranean context), (PhD title, April 24th, 2004).

2001

Le città del Mediterraneo tra la fine del Settecento e la metà dell’Ottocento (Mediterranean cities between the late 18th century and the mid-19th century) (Head of Research: Prof. Sara Rossi).

She cooperated with the Reggio Calabria research group, coordinated by Prof. Concetta Fallanca, for the elaboration of the Feasibility study for a “Pilot intervention for the promotion of urban planning and architectural culture in the municipalities of Borgia, Catanzaro, Squillace, Staletti”, object of a convention between the AACM Department, the Università degli Studi della Calabria, the Department for spatial planning and the Central Office for Environmental and Landscape Heritage of the Ministry for Cultural Assets and Activities.

2002

Le città del Mediterraneo nel XX secolo (Mediterranean cities in the 20th century) (Head of Research: Prof. S. Rossi).

2003

Le città del Mediterraneo nel periodo moderno e contemporaneo (Mediterranean cities in the modern and contemporary age) (Head of Research: Prof. Sara Rossi).

2004

Prospettive di sviluppo delle città del Mediterraneo (Prospects of development of Mediterranean cities) (Head of Research: Prof. S. Rossi)

2005

La città mediterranea nel XX secolo e nei suoi aspetti più attuali (The Mediterranean city in the 20th century and in its most relevant aspects) (Head of Research: Prof. Sara Rossi).

2006

La città mediterranea nel XX secolo e nei suoi aspetti più attuali (The Mediterranean city in the 20th century and in its most relevant aspects) (Head of Research: Prof. E. La Spada).

Development strategies of Mediterranean cities (Head of Research: Prof. C. Fallanca).

As a representative of AACM Department, she participated, together with C. Fallanca, A. Barresi and A. Taccone, in the competition promoted by Formez (within the project Genius Loci) to design specialized courses (2nd level master's degree) for civil servants and senior administrative officials who dealt with urban and spatial planning. The project Master was elaborated in a partnership with the Department of Historical, Legal, Economic and Social Sciences of Mediterranean University of Reggio Calabria and with the Department of Economic and Social Subjects of Messina University. Its leading organization was the Region Calabria, Urban Planning and Territorial Governance Department. The project was deemed worthy of funding in July 2007 and was carried out in December 2007-November 2008 (1500 hours totalling 60 credits)

2007-2008

L'approccio strategico nella pianificazione delle città del Mediterraneo (The strategic approach in Mediterranean city planning) (Head of Research: A. Barresi).

2009-2011

Il Turismo come motore di rinnovamento e trasformazione sostenibile di città e territori. Strategie ed esperienze in ambito euromediterraneo. (Tourism as a driving force behind the sustainable renovation and change of cities and territories. Strategies and experiences in the Euro-Mediterranean area)

Progetto Ricerca "REC-Per una rete di Eco villaggi in Calabria. Formazione, ricerca, rigenerazione urbana e sostenibilità: un nuovo e diverso sviluppo per i centri minori" (L.R. Calabria 22 settembre 1998, n.10 art. 37 quater), coord. Maria Adele Teti

2011-2018

Period 2011-2015, Member of LabStutep, Laboratory of Urban and Territorial Strategies for Planning - LabStuTep- of Mediterranean University of Reggio Calabria, link <http://www.unirc.it/ricerca/laboratori.php?lab=25> (Head of Research: F. Moraci).

Member of the research groups that has developed the following research projects:

PONa3 00441- Future City-Laboratorio interdisciplinare di eccellenza per le smart city – progetto consorziato tra il Politecnico di Bari e l'Università degli studi Mediterranea di Reggio Calabria Ricerca e Competitività 2007-2013 (per le Regioni dell'Obiettivo Convergenza Campania, Puglia, Calabria, Sicilia) Asse

I: Sostegno ai mutamenti strutturali Obiettivo Operativo 4.1.1.4: Potenziamento delle strutture e delle dotazioni scientifiche e tecnologiche I Azione: Rafforzamento strutturale.

"SPACeS- Smart Planning Actions for Cities Environment and Sustainability", 7° Framework Programme FP7-Energy-smartcity-2012, Cooperation Work Programme: Energy-Area Energy 8.8: Smart Cities and Communities, in collaborazione con diverse istituzioni ed università europee e con la Delft University of Technology (scientific coord. Prof. F. Moraci Università Mediterranea di Reggio Calabria).

Accordo Quadro – Progettazione, sviluppo, attivazione, assistenza tecnica e prima gestione dell'UrbanLab del Comune di Messina, di cui alla Convenzione "Ideazione, formazione e attivazione dell'UrbanLab di Messina e dell'Area Metropolitana e del Laboratorio Azioni Integrate Innovative" (responsabile scientifico ed ideatore del progetto, prof. Francesca Moraci) tra il Dipartimento Architettura e Territorio – Laboratorio di Strategie Urbane e Territoriali per la Pianificazione - Università Mediterranea di Reggio Calabria nell'Ambito dell'Accordo Quadro sottoscritto il 24.11.2011 con il Comune di Messina – Assessorato Sviluppo Economico - Ufficio Programmi Complessi.

PRIN 2010-2011 dal titolo "La città fragile. Prevenzione, sicurezza e ricostruzione nelle aree urbane, nuove forme di governance e semplificazione degli strumenti", responsabile scientifico unità A prof. F. Moraci, con Università di Enna Kore, Università di Catania, Politecnico di Torino, Università di Firenze.

S3.P.E.E.D City - (Sustainable, Sensible and Smart Planning for Environmental, Ecological and Dynamic City), PON R&C 2007-2013 Smart Cities and Communities, D.D. 84/Ric. 02. Capogruppo Prof. F. Moraci, soggetto proponente Università Mediterranea di Reggio Calabria, Altran, Halgitron, società Leonia, CNR con Amministrazione Comunale di Reggio Calabria.

PONa3 00441 – Future City-Laboratorio interdisciplinare di eccellenza per le smart cities – progetto consorziato tra il Politecnico di Bari e l'Università degli Studi Mediterranea di Reggio Calabria R&C 2007-2013 (per le Regioni dell'Obiettivo Convergenza Campania, Puglia, Calabria, Sicilia) Asse I: Sostegno ai mutamenti strutturali Obiettivo Operativo 4.1.4: Potenziamento delle strutture e delle dotazioni scientifiche e tecnologiche Azione: Rafforzamento strutturale.

"Fattibilità urbanistica e ambientale" (resp. scientifico prof. Francesca Moraci) nell'ambito della Convenzione tra la Regione Calabria e l'Università Mediterranea di Reggio Calabria -Dipartimento DASTEC relativa al Progetto di fattibilità del World Trade Center di Gioia Tauro, coord. generale proff. Giuseppe Fera (responsabile scientifico) e Marina Arena. Convenzione con la Regione Calabria (prot. SIAR n. 324201/2012) Studio di fattibilità per il WTC del Polo logistico Intermodale di Gioia Tauro.

JPI –Joint Pilot Transnational Call for Joint Research Projects on Cultural Heritage, come componente del gruppo di coordinamento del Dipartimento di Architettura e Territorio diretto dalla prof.ssa F. Moraci. Titolo del progetto interdisciplinare "ABAMEL -Additional Benefits (re-use, environment, energy and urban planning), with the Application of MEchanical Lifting with seismic isolator on heritage cultural buildings in urban areas" (resp. scientifico prof. Francesco Karrer).

PRIN 2012 dell'Unità B (responsabile scientifico prof. F. Moraci) coordinata dal prof. Francesco Castelli , Università Kore di Enna dal titolo "Cambiamenti climatici: analisi, modellazione, prevenzione e mitigazione del rischio di frana".

Progetto Interreg IV C NoStra (Network of the Straits), and contributo all'elaborazione dell' Action Plan. Study about policy measures for a good governance of the Messina Strait at EU level.

PON03PE00012_1 - "Marine Energy Lab" (resp. scientifico prof. P.G.F. Filianoti).

Progetto Horizon 2020 dal titolo "ANCCHORS- Anticipating the New Challenges for Coastal Cultural Heritage On Regions of Straits". (Coord. Università Mediterranea di Reggio Calabria -dArTe, referente prof. Francesca Moraci) Topic: CULT-COOP-07-2017 Call Identifier: H2020-SC6-CULT-COOP-2016-2017 Type of Action: RIA. Consortium costituito dai seguenti partners: ANAS Spa (IT); Camera di Commercio Artigianato e Agricoltura della Maremma e del Tirreno (IT); Kent County Council (UK); Mid and East Antrim Borough Council - MEA (UK); Conseil Départemental du Pas-de-Calais (F); Università Mediterranea di Reggio Calabria (IT); Università Kore di Enna (IT); Provincia di Lecce (IT); Provincia di Reggio Calabria (IT); Regione Calabria (IT); Università Messina (IT); ULCO University (F).

Since 2017

Urban and regional planning for the implementation of the Sustainable Development Goals (SDGs) and New Urban Agenda, with A. Barresi (dArTe) and in collaboration with L. Cavalli (FEEM-Fondazione ENI Enrico Mattei). Also contacts with P. Pagano, Executive Director del World Bank Group dal 2014 for the followings Countries: Italia, Albania, Greece, Malta, Portugal, San Marino, and Timor-Leste (<http://www.worldbank.org/en/about/people/p/patrizio-pagano>)

Since 2018 to date

Scientific coordinator with (A. Barresi) of the local research group on the Bolzano case study as part of the *National Research of the INU Community on Medium-sized Cities and Regional Metropolises* (National Coordinator Roberto Mascarucci (first results published by INU Edizioni, 2020)

As scientific responsible for one of the proposing subjects in the FISR 2019 Call, she participates in the elaboration and presentation of the project "Innovative tools to support and manage the processes of conservation, recovery and enhancement of the historical urban and rural settlement heritage". Proposing subjects: University of Cagliari, University of Sassari and Mediterranean University of Reggio Calabria. August / October 2019

Participates in the Pilot Project "RC metrocitizens in transition, MATTM DG VI, Metropolitan City of Reggio Calabria - Implementation of the National Strategy for Sustainable Development Agenda 2030, Metropolitan City of Reggio Calabria, Sector V University and Community Policies Office, acquired by competitive tender as a Component of the Scientific Committee, Control Room and Technical-Scientific Team for the construction of the Metropolitan Agenda for the SVS of the Metropolitan City of Reggio Calabria. <https://www.rcmetrocitizensintransition.com/cabina-di-regia-e-team>

Since 2020 to date

Participates in the Pilot Project "RC metrocitizens in transition, MATTM DG VI, Metropolitan City of Reggio Calabria - Implementation of the National Strategy for Sustainable Development Agenda 2030, Metropolitan City of Reggio Calabria, Sector V University and Community Policies Office, acquired by competitive tender as a Component of the Scientific Committee, Control Room and Technical-Scientific Team for the construction of the Metropolitan Agenda for the SVS of the Metropolitan City of Reggio Calabria. <https://www.rcmetrocitizensintransition.com/cabina-di-regia-e-team>

SCIENTIFIC ORGANIZATION AND PARTICIPATION, AS SPEAKER AND CURATOR, IN INTERNATIONAL AND NATIONAL CONFERENCES, WORKSHOPS, EXHIBITIONS

1998

International Forum of Studies organized by the Department of Architecture and Analysis of the Mediterranean City on the theme “Mediterranean cities”. Paper: “Gli insediamenti dell’arco costiero adriatico nord-orientale” (Settlements on the north-eastern Adriatic coast), Reggio Calabria, June 3rd-4th-5th, 1998.

2001

International Forum of Studies organized by the Department of Architecture and Analysis of the Mediterranean City of the Faculty of Mediterranean Architecture of Reggio Calabria. Participation in the exhibition “Ricerche sul Mediterraneo” with the panel “Orientamenti di ricerca relativi all’area mediterranea adriatica” (Directions of research on the Adriatic Mediterranean area), Reggio Calabria, June 6th-7th-8th.

2003

Exhibition-Conference “Invito alla Lettura. Cinquanta importanti testi del Novecento di Architettura, Urbanistica, Arte e Storiografia” (Invitation to reading. Fifty important 20th-century texts of Architecture, Urban Planning, Art and Historiography), organized by AACM Department, with the sponsorship and collaboration of Mediterranean University of Reggio Calabria. Participation with a panel illustrating Luigi Piccinato’s text “Urbanistica medievale”, Reggio Calabria, June 13th.

2004

Workshop addressed to PhD students in “Planning and design of the Mediterranean City” and titled “Trasformazioni e politiche urbane nella città mediterranea tra XVIII e XIX secolo” (Changes and urban policies in Mediterranean cities between the 18th and 19th century). Organized by Prof. Elena La Spada on June 24th, 2004 at AACM Department. Participation with a paper about the city of Trieste, Reggio Calabria, June 24th.

2005

III International Forum of Studies on Mediterranean Cities “Calabria Regione mediterranea”. Participation with the paper “Soverato, Squillace e le aree circostanti” (Soverato, Squillace and the surrounding areas) and with a panel at the exhibition.

2007

INU National Conference on “Quante periferie – Quali politiche di governo del territorio”. Participation with a paper (together with A. Barresi) titled: Il contributo dell’analisi morfologica nella riqualificazione delle periferie. Il caso di Reggio Calabria (The contribution of morphological analysis to the redevelopment of suburbs. The case of Reggio Calabria), Naples, March 22nd – 23rd.

Member of the Scientific and Organizational Committee of the Exhibition – Meeting “Attività e opere di Sara Rossi”, opened on June 6th, 2007 in the Assembly Hall of Mediterranean University of Reggio Calabria, organized by the Department of Architecture and Analysis of the Mediterranean City on the occasion of the awarding of the Emeritus Professor status to Prof. Sara Rossi.

Euro-Mediterranean Conference organized by Rehabimed. Participation with a paper (together with A. Barresi) titled “Visions: from knowledge of territory to action strategies and policies of sustainability”,

Barcelona, July 12th – 15th.

Meeting on the theme “Luoghi Nonluoghi superluoghi”. Participation with the paper "Superluoghi e dimensione strategica della pianificazione" (Superplaces and strategic dimension of planning), December 12th – 13th.

2008

4th INU Day of Studies “I valori in Urbanistica: fra Etica ed Estetica”. Participation with a paper titled “La partecipazione nei processi decisionali per l’attenuazione delle disuguaglianze sociali” (Participation in decision-making processes to mitigate social disparities) (with A. Barresi), Naples, March 17th.

4th International Forum of Studies "Città del Mediterraneo". Participation with the paper "Città plurale e pianificazione partecipata: problemi e strategie in ambito euromediterraneo" (Plural city and participated planning: problems and strategies in the Euro-Mediterranean area), Reggio Calabria, May 27th-29th.

Member of the Editorial Board of the Instant Book of the 4th International Forum Le città del Mediterraneo, Reggio Calabria, May 27th-29th.

From 2008 to 2011, editor of the column Highlights of the AACM Department journal “Mediterranea”

2009

Meeting "Il secolo breve (1908-2008). Rovine e ricostruzioni". Participation with the paper "Processi di governance per la costruzione di una nuova qualità urbana a Reggio Calabria" (Governance processes for the construction of new urban quality in Reggio Calabria), Reggio Calabria, January 28th-29th.

12th National Conference of the Italian Society of Urban Planners "Il progetto dell'urbanistica per il paesaggio". Participation with the paper "Progetto di paesaggio e governance: nuove prospettive per lo sviluppo dei territori" (Project of landscape and governance: new prospects for the development of territories), Bari, February 19th-20th.

5th INU Day of Studies 2009 "Urbanistica e Politica". Participation with the paper “Le sfide del turismo nelle politiche di sviluppo dei territori calabresi: problemi e prospettive” (The challenges of tourism in the development policies of Calabrian territories: problems and prospects), Naples, October 23rd.

“Kronos e l’Architettura”, event organized at the Faculty of Architecture of Reggio Calabria. Participation with the paper “Quali trasformazioni per città e territori fra i tempi dell’urbanistica e i tempi della società” (What changes for cities and territories between the time of urban planning and the time of society), November 11th-12th.

2010

International Sustainable Building Regional Conference SB10MAD, “Sustainable building, revitalising and renovation of districts: an urgent and essential step”. Participation with the paper "Tourism for a Sustainable Redevelopment of Towns and Territories", Madrid, April 28th-30th.

Workshop “Nuevas orientaciones para los destinos consolidados de sol y playa: renovación y mejora de la competitividad”, organized by the Universidad Internacional Menéndez Pelayo- campus of Valencia, supervised by Fernando Vera and Rosario Navalón of the Instituto Universitario de Investigaciones Turísticas de la Universidad de Alicante. It was included in the Phase III activities (dissemination plan) of the Research Project: Renovación de los destinos turísticos consolidados del litoral: nuevos instrumentos para la planificación y gestión (RENOVESTUR) 2009-2011, within the PLAN Nacional I + D + I 2008-2011 (<http://blogs.ua.es/renovestur/actividades-organizadas/curso-uimp/>). Participation by request, L’Alfàs del Pi, July 19th-23rd, 2010.

“Spazio e società”, event organized at the Faculty of Architecture of Reggio Calabria. Participation with the paper “Il turismo sostenibile come opportunità strategica per la valorizzazione del Cultural Heritage e la costruzione di nuove relazioni territoriali” (Sustainable tourism as a strategic opportunity to enhance Cultural Heritage and to build new territorial relations), November 10th-11th.

2011

Heritage 2011 Conference "Conservation of Architecture, Urban Areas, Nature & Landscape: Towards a Sustainable Survival of Cultural Landscape". Participation with the paper "The Mediterranean Cultural Heritage Between Conservation Needs and Growing Tourist Demand: Strategies and Instruments", Session 2B: Cultural Landscape, Tourism & Community Involvement, Amman, March 13th-15th.

32nd Italian Conference of Regional Sciences “Il ruolo delle città nella economia della conoscenza”. Participation with the paper "Strategie di sviluppo sostenibile per città e territori del Mezzogiorno: costruire relazioni virtuose fra turismo, risorse naturali e patrimonio culturale" (Sustainable Development Strategies for Cities and Territories in the South of Italy: Building Virtuous Relationships between Tourism, Natural Resources and Cultural Heritage), Turin, September 15th-17th.

16th International Interdisciplinary Meeting “Il mosaico paesistico-culturale in transizione: dinamiche, disincanti, dissolvenze”. Participation with the paper “Turismo e paesaggio: dinamiche evolutive e scenari futuri di sviluppo sostenibile per la Calabria, regione mediterranea” (Tourism and landscape: evolutionary dynamics and future scenarios of sustainable development for Calabria as a Mediterranean region), Udine, September 22nd-23rd.

National Meeting “Paesaggio 150. Sguardi sul paesaggio italiano tra conservazione, trasformazione e progetto in 150 anni di storia”. Participation with the paper “Turismo e Qualità Paesaggistica, un binomio inscindibile per nuovi scenari di sviluppo sostenibile in Calabria” (Tourism and Landscape quality, an inseparable combination for new scenarios of sustainable development in Calabria), Reggio Calabria, October 5th-7th.

“Incontri in Biblioteca”, presentation of Maurizio Bradaschia’s book “Architettura per arcipelaghi”, organized within the cultural activities of the Faculty of Architecture – Mediterranean University of Reggio Calabria. Participation by request, Reggio Calabria, November 17th.

International Conference "Renovaciòn y Reestructuraciòn de Destinos Turísticos Consolidados del Litoral". Participation with the paper “Renewal of Tourism Supply and Upgrading of Cultural and Environmental Resources: Strategies and Tools for New Scenarios of Sustainable Development in Calabria (Italy)”, Alicante, November 24th-25th.

4th Urbenviron International Congress on Environmental Planning and Management “Green Cities: a Path to Sustainability”. Participation with the paper “Tourism and Heritage Sites: Strategies and Instruments for Sustainable Development in the South of Italy”, Cairo, December 10th-13th.

2012

National Conference “Città-Energia”. Participation with the paper “Nuove energie e governo delle trasformazioni per la costruzione della smart city: problemi e prospettive di una relazione complessa” (New energies and governance of transformations for the construction of a smart city: problems and prospects of a complex relation) (with A. Barresi), Naples, January 20th-21st.

Heritage 2012. 3rd International Conference on Heritage and Sustainable Development, relazione dal titolo “Building Virtuous Relations between Tourism, Natural Resources and Cultural resources and Cultural Heritage for Sustainable Development: Strategies and Instruments”, Porto, June 19th-22nd (double-blind peer review).

13th World Conference of Cities and Ports, organized by AIVP, internet contribution dal titolo "Trieste, gateway city between Europe and the Mediterranean"
<http://www.citiesandports2012.com/interventions/ecrites/trieste-une-ville-passerelle-entre?lang=en>, June 18th-21st Nantes-Saint Nazaire.

Beijing Forum 2012 "The Harmony of Civilizations and Prosperity for All - Challenges and Opportunities: New Thinking in New Reality"- "Panel IV: Inheritance of the World Cities Spirit: Experience and Innovation", Paper titled "Smart Strategies for Participatory Urban Development: Trends and Prospects for European Cities and Regions" (with A.
